COVER LETTER

I am excited to apply for the interior designer / 3D visualizer position, where I can bring my passion for creating stunning, photorealistic visuals to your team. With 7 years of experience in 3D visualization, I am confident in my ability to transform design into immersive, interactive environments that captivate and inspire.

My expertise includes:

- Proficiency in 3D modeling and rendering softwares (3D max, Vray, Corona Render, Adobe photoshop etc.)
- Strong understanding of lighting, texturing and composition.
- Bringing new things to team through learning new skills such as AI render etc.
- Space planning & Design concepts.
- Detail drawing & As-built drawing.

I am a creative and detail-oriented professional dedicated to delivering high quality visuals that exceeds expectations. I would love the opportunity to discuss my qualifications further and explore how I can contribute to your team's success.

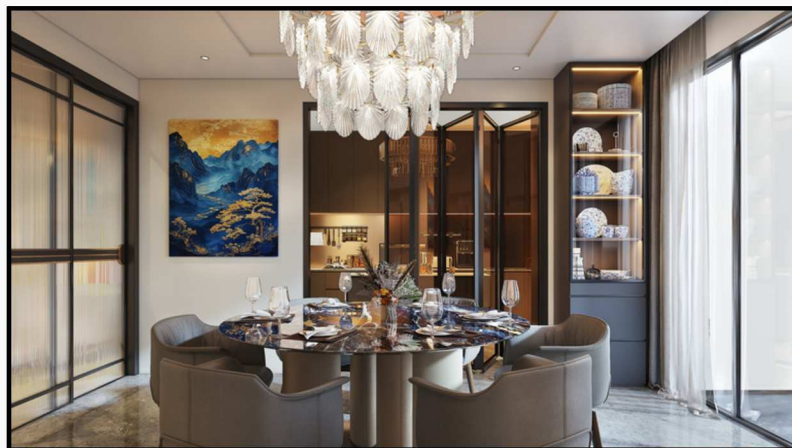

Thank you for considering my application.

Best Regards

Pearlyn Khoo
